

# COVID Protocol

# Wheelersburg Local School District

**Positive Test** for COVID-19  
and has symptoms

Isolate for **10 Days**

Onset of symptoms is Day 0,  
Return on Day 11

Results in an **Isolation Order**  
from the Health Department  
and a **School Exclusion**

*Contact Tracing Required*

**Positive Test** for COVID-19  
and does not have symptoms

Isolate for **10 Days**

Day of test is Day 0,  
Return on Day 11

Results in an **Isolation Order**  
from the Health Department  
and a **School Exclusion**

*Contact Tracing Required*

**Close Contact** of someone  
diagnosed with COVID-19

Quarantine for **10 Days**

Last day of contact is Day 0,  
Return on Day 11

Results in **School Exclusion** for  
the Quarantine Period

**Symptoms** of COVID-19, has not  
been tested

Excluded until symptom  
free for **24 hours**

At a minimum the exclusion  
will include the day of  
symptoms and the next day

Results in **School Exclusion**

*Can return early with an  
alternate diagnosis*

- Non-Household close contacts may shorten their quarantine to 7 days and return on day 8 with a negative test on day 5 or later.
- Fully vaccinated individuals may not need to quarantine if deemed a close contact, but must isolate if they test positive or become symptomatic.
- Close contacts who have tested positive within 90 days of the exposure do not have to quarantine if they remain symptom free.
