Virtual Schedule Overview

- Students will attend live, virtual sessions during their normal class periods (class period times will be adjusted -see above).
 - Teacher prep periods throughout the day will remain at the normal designated class periods.
 - Teachers should teach through **live** Google Meets for each class during the designated class periods.
 - Students will be required to log in to each of their class period Google Meets throughout the day.
 - Teachers will keep attendance for each class period's Google Meet. At the end of the day, teachers will cross-reference the homeroom list with the class period attendance list and then record homeroom absences in ProgressBook.
 - Use academic lab as a time to set up individual Google Meets with at-risk students (social-emotional and/or academic). Record interactions in the communication log.
-

Activity and Intervention Educators

During virtual learning, activity teachers will not assign lessons. Instead, activity and intervention teachers (Green/Bentley) will work with a designated grade level to enhance learning and maintain consistent communication with students which may include wellness checks, social-emotional check-ins, schoolwork assistance, etc.

8th grade: Tina Green

7th Grade: Jon Estep

6th Grade: Susan Reutzel

5th Grade: Heather Mullins

4th Grade: Kim Bentley
